Dear Sir,

We are sending you by express 10 samples of our Safety Seamless Coin Bags for you to examine & test with a view to using them in the mint in place of sewed bags.

We are also sending some to Mr. E. B. Gassan at Washington & intend to bid for the government contract.

The bags are woven whole having no seams to up & only the very best & strongest two ply yarns used in them.

We think they are much more serviceable than sewed bags & trust you will decide to use them.

Very truly yours

Dear Sir

We are sending you by express 10 samples of our Safety Seamless Coin Bags for you to examine & test with a view to using them in the Mint in place of sewed bags. We are also sending some to Mr. E.B. Dascam at Washington & intend to bid for the government contract.

The bags are woven whole having no seams to rip & only the very best & strongest two ply yarns used in them.

We think they are much more serviceable than sewed large & trust you will decide to use them.

Very truly yours,
Mason Machine Works, Trustee,
